

Jennifer West is a teacher, parent and concerned resident running for City Council.

West for Council 2009
P.O. Box 8704
Emeryville, CA 94662

Photo: Martina Komietzky, MFA

Jennifer understands that stronger communication between business leaders, workers, residents and city officials is essential. Emeryville has become a regional success story and now she believes it's time for residents to have a greater voice in deciding how Emeryville will develop.

- More parks and open space
- Better pedestrian and bike access
- Strong, continued support for our schools
- Support for local-owned and local-serving businesses

Jennifer West has worked as teacher in Bay Area public schools since 1995. A trained facilitator, she will use her skills to engage others, look for common ground, and encourage dialogue about the issues facing our city. She will work to find solutions for all to create a more livable community in Emeryville.

Building a More Liveable Community
